

SOULESS PEOPLE WILL WALK AMONG US

THEY WILL EXHIBIT THESE TRAITS

Not Everyone Is Human... Edgar Cayce Revealed Who Has No Soul

We have been hearing this statement now for a long time from the Bible and many ancient cultures. Who are these soulless people. It looks like they are people who have bodies but are born without a soul. or as Jesus said are "empty vessels. There appear to be many definitions for them meaning that there are more than one variety of them.

The Bible does not explicitly state that "soulless" people walk among us but it frequently refers to people who are "spiritually dead" or devoid of the Holy Spirit, which can be interpreted as living without a divine soul a spark the light with in us etc.

Here is the breakdown of the relevant biblical concepts and there possible interpretations:

- **Spiritually Dead:** The Bible often describes individuals who do not have a personal relationship with God through Jesus as being "spiritually dead" ([Ephesians 2:1](#), [Colossians 2:13](#)). However, there is more going on with these people who do not have a personal connection with Jesus it goes deeper than that as you keep studying this subject and making cross references and checking with other ancient groups who also spoke of the spiritually dead. Every culture has the same basic language for a being that is either possessed or is dead inside.
-
- **The Unclean Generation:** According to Jesus he speaks of a coming "wicked generation" in [Matthew 12:43-45](#), which may be the church age and the End of the Ages period we are living in today. Some use the parable of an unclean spirit returning to an "unoccupied" or empty house. This seems to be a person or a being who has become a home or vessel for an evil being who essentially possess or controls them. This has to include aliens as well who are also soulless vessels such as the gray alien androyds etc. To me they are a perfect example of a soulless being. This is also a reference to a possessed or controlled person. This is how abductees describe gray aliens.
-
- **Heartless and Devoid of Spirit:** In [2 Timothy 3:1-5](#) Paul tells us that in the last days, these people will be "lovers of themselves," "heartless," and having "the appearance of godliness, but denying its power". This also has to include the JROCCC who put out their indoctrinations according to

Jewish, Hebrew and Pagan Bible-ologies. Prophecy tells us that the CHURCH WILL BURN SOON for her debaucheries.

- - Jude 1:19 mentions those who cause divisions, "worldly-mindedness and we have to include the DEEP STATE BLOODLINE ASM SECT NWO WEF WHO EU NATO etc., upper elite who are devoid of a spiritual connection with Jesus and or a connection with our Heavenly Father. They are descendents of alien human hybrid bloodlines who worship Satan and pagan ideologies. They would include the Jews and Zionists. Yes the Persian Gulf Adam was a cloned being the texts even tell us that using odd language that is symbolic in nature.
 -
 - **Interpretation of "Soulless":** Some interpretations suggest that "soulless" means lacking the divine, spiritual spark that comes from a connection with God, rather than lacking a physical soul or life force.
 -
- While the term "soulless" itself isn't used in this context in the Bible, the concept of people living in the flesh bodies, without the Spirit of God, is a recurring theme.

Now lets see what Edgar Cayce has to say about this subject. He really covers the topic very well.

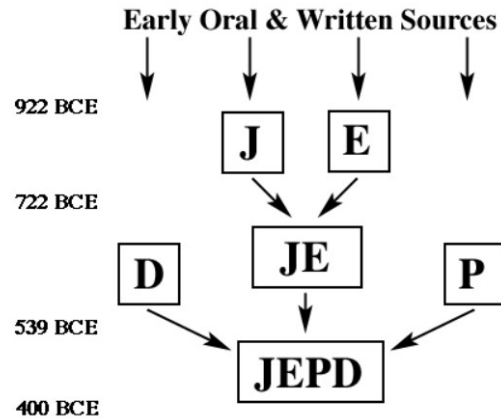

He is saying that a danger involved in dealing with soulless people is not to realize who they are. Jesus said, "know your enemy." Learn to know who they are and how they operate. Learn how to deal with them.

Think of someone who has no connection to Jesus in their minds eye but who instead is being mind gamed and controlled by DARK FORCES.

Christians will say that Çayce is not a Christian yet we know you cannot trust these mind gamed Christians any further than you can toss a wet alien in the rain. I know that sounds harsh but instead of doing their homework they puppet what they are taught to think and believe. They too have been deceived by the JROCCC beliefs and doctrines. Instead, we have to DO OUR HOMEWORK in an attempt to CONNECT THE DOTS ourselves regarding what we choose to believe. 90% of Christians have never read the Bible but read out of context verses instead like in a Bible study or snippets of verses from a pulpit etc. They do not understand the symbolic language in the Bible and do not understand how evil the teachings really are. They do not understand for an example that the Jews and Hebrew stories were ancient Mesopotamian inspired stores of people groups that worshipped aliens. It's a best kept secret.

Here are some differences between the four strands of tradition.

J Jahwist	E Elohist	P Priestly	D Deuteronomist
emphasizes the importance of the southern Kingdom of Judah	emphasizes the importance of the northern Kingdom of Israel	emphasizes the importance of the southern Kingdom of Judah	emphasizes the importance of the central shrine which is the Temple in the city of Jerusalem , located in what had been the northern Kingdom of Israel
stresses the importance of leadership in determining the fate of the Jewish people	stresses the importance of prophets and prophetic statements	stresses the importance of proper worship and the following of rituals and religious laws	stresses the importance of fidelity to Jerusalem and to the central shrine in the Temple
speeches about God give God human qualities	refined speech about God	majestic speech about God	speech recalling God's work
God walks and talks with us	God speaks in dreams	Worship driven approach to God	moralistic approach
God is YHWH	God is Elohim (till Ex 3)	God is Elohim (till Ex 3)	God is YHWH
uses "Sinai"	Sinai is "Horeb"	has genealogies and lists	has long sermons

The Source Texts

- **J** – the Yahwehist text, so named because of its consistent use of יהוה (YHWH, in German JHWH) as God's name.
- **E** – the Elohist text, so named because of its consistent use of אלהים (Elohim) to refer to God.
- **P** – the Priestly text, evidencing special vocabulary, priestly concerns.
- **D** – the Deuteronomistic text, Deuteronomy through Kings, plus Jeremiah; has much different style, repetitions of J+E.

R – the Redactor, the scribe or group of scribes who compiled and edited the canonical version of the Pentateuch.

Documentary Hypothesis: Composition of Pentateuch

Wellhausen proposed that the Pentateuch was composed from four main sources.

1) **J** = Yahwist

2) **E** = Elohist

3) **D** = Deuteronomist

4) **P** = Priestly writer

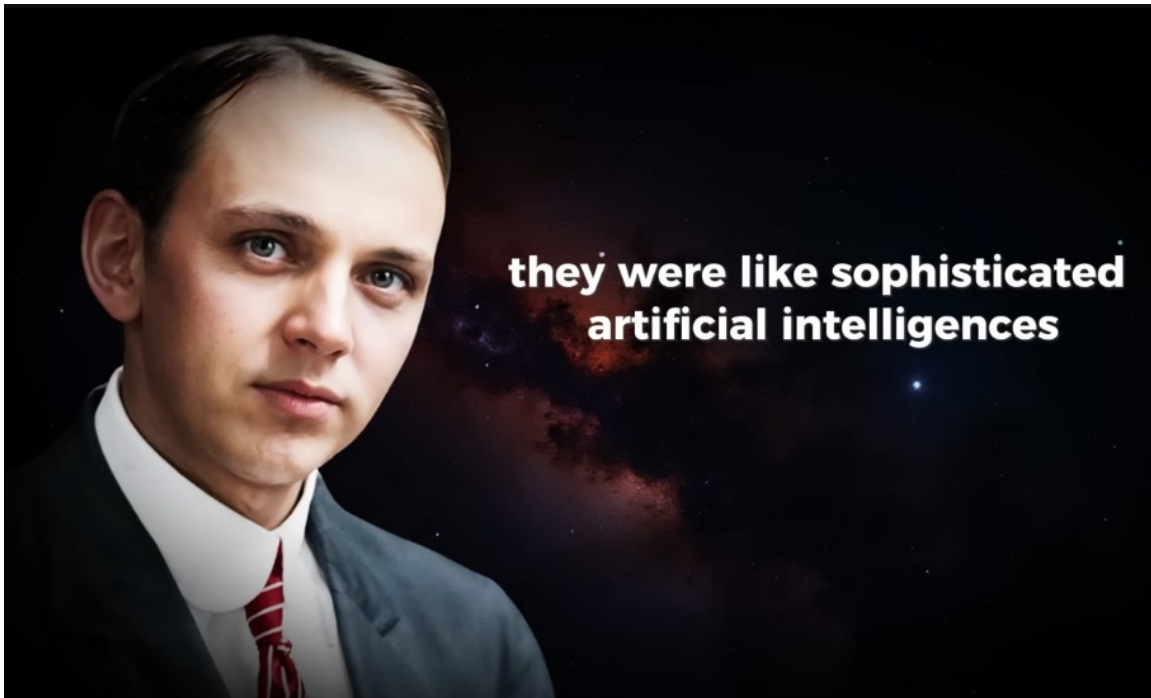

If you pay attention to what is being said and implied in the Bible the Jews were afraid of these beings

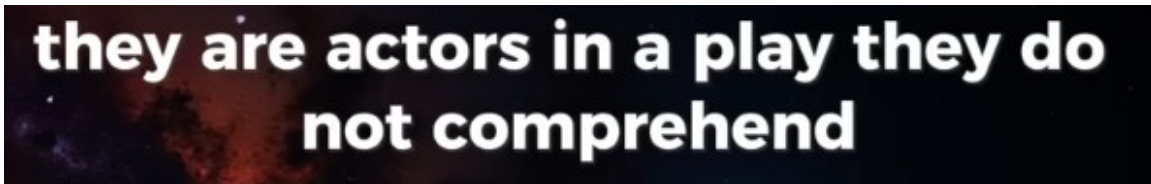

This is who Christians worship LORD, Lord, GOD, God. Lord God LORD God. Lord GOD etc. These are titles not names. Those who edited the bible texts took the names of these alien gods out of the texts in an attempt to claim that the Jews worshipped one god who was a lesser being know as Yahweh Ildabaoth the Demiurge YHWH. We know that the Deuteronomy Revisionists were behind this.

I really like what Cayce is saying here. Especially as it relates to the SIGNS OF THE TIMES, we are living in today.

SOULLESS PEOPLE ACCORDING TO CAYCE ARE:

Being able to discern who they are helps us grow as a person.
